

Sunfab Service Support AR – Mobile application

The Sunfab Service Support App is a useful tool for aftermarket work with Sunfab products. The App is for existing Sunfab distributors and OEM-customers only and requires a personal login provided by Sunfab.

Contact your Sunfab contact for information and login request.

If you have any questions about the application, do not hesitate to contact us by e-mail:
communications@sunfab.se

Sunfab takes the protection of your personal information very seriously.
Terms of Sunfab's Privacy Policy:

1. Sunfab does not collect any information as to how, where and when the application is used.
2. No personal data is collected from the application.
3. Storage is used to save and load user login information locally on the device.
4. The app requires camera and microphone access to enable AR/VR functions.
5. Internet access is required to connect and load the help documents provided in PDF format. All Internet communications made within the app are encrypted with SSL.
6. Sunfab apps do not include any in-app purchases.
7. Sunfab applications do not integrate any advertisements from third-party companies.
