## Dear Supplier,

At Sunfab we are committed to operational excellence, ethical and responsible conduct, fair and respectful treatment of all individuals, and practices that promote safety, health and environmental protection.

With this Supplier Code of Conduct (SCoC), we communicate to our suppliers that we expect them to operate as Sunfab; in accordance with internationally recognized standards on Human Rights, Environment and Anti-corruption.

We ask you as a supplier, or potential supplier, to acknowledge that you have received, understood and agree to comply with Sunfab SCoC by way of signing this letter and sending it back to your sourcing contact person at Sunfab.

In case you have your own Code of Conduct, there is an option to submit this in place of signing Sunfab SCoC, provided that the content is in line with Sunfab SCoC.

Sunfab reserves the right to actively verify and audit your compliance with Sunfab SCoC. Audits may be performed either by Sunfab employees or by a third-party auditor assigned by Sunfab. The latest version of Sunfab SCoC is always posted on [www.sunfab.com/about-us/quality-environment/](http://www.sunfab.com/about-us/quality-environment/), and if there is any changes in the document you will be noticed.

In case of any discrepancy or inconsistency between the English version or any other version, the English version shall always prevail.
